available on smaller
projects

Full keyed alike and mastersuite
services available

Game Changing Lock

Next time you change a lock, make it a game changing one. With a user-friendly Easy Turn Helix Thumbturn which is smoother to turn and easier to grip and unlike some other systems, it doesn't just stop at security, it also helps to stop bacteria thanks to a Thumbturn Warm Touch Bio Cap which has health-protecting qualities. The Bio keys and thumbturn cap have been tested to ISO 22196:2011 standards and shown to reduce Staphylococcus aureus and Escherichia coli and have been tested to ISO 21702:2019 standards and shown to reduce SARS-COV-2.

The cylinder comes with a key fob which includes a QR code. Customers can register the cylinder on our website to activate their registration and Free maintenance updates from us. What's more, customers will also have access to 'My Keys.' This allows the customer to keep a record of their key number and an image, so if they ever lost all of their keys, they can log in to the website and simply take the key number and image to a key cutter to get cut. This will save them the expense of having to replace their cylinder!

Why Choose This Lock?

The Kinetica+ K4 3* Kitemarked thumb turn euro cylinder with Easy Turn Helix system is a combination of the expertise from UAP and Fullex. The 3* cylinder market has been growing over the last 12 months or so with fabricators understanding the consumer need for greater door security without having to upgrade handles or add extra security devices. Fullex and UAP have worked together to try and develop the best value for money 3* Kitemarked euro cylinder on the market.

ANTI-BUMP

The cylinder has a unique and patented anti-bump system which does not use trap pins. This system makes the turning of the cylinder key extra smooth.

ANTI-DRILL

Hardened steel anti-drill pins are in each side of the cylinder. Plus all moving pins are nickel plated hardened steel 50 HRC minimum.

ANTI-PICK

Anti-pick pins in each side of the cylinder makes it extremely difficult for a common burglar to pick the cylinder.
