Satin Chrome finish

The UAP Escutcheon has been designed to colour match with the [UAP Pull Handles](#) in order to give perfect co-ordination to a front door. It is available in Satin Chrome and includes fixings.

Part of the Nanocoast Range

Each escutcheon is made from high grade stainless steel and is part of the [UAP Nanocoast](#) range. The [UAP Nanocoast](#) range of products are specifically designed for areas which are within a 25-mile radius of the coast, or within 5 miles of highly populated industrial areas.

Each escutcheon has been salt spray tested to ASTM B117 for 2,000 hours, and comes with an industry first **LIFETIME** coating guarantee, so it will not pit, rust or corrode no matter what environments you put them in!

LIFETIME Coating Guarantee

Comes with an industry-first **LIFETIME** coating guarantee – resistant to pitting, rusting, and corrosion
