

Victorian Urn

Door Knocker

Removable self-adhesive fixing

Flexible installation options

LIFETIME coating guarantee

1-hour fire rated

Fits a variety of door thicknesses

Victorian Urn Door Knocker

Add a touch of timeless elegance to your front door with the 6-Inch Victorian Urn Door Knocker, expertly crafted to blend classic design with modern innovation. Made from high-grade stainless steel, it offers exceptional strength, corrosion resistance, and long-lasting durability. The rust-resistant, waterproof seal prevents deterioration, ensuring a pristine appearance for years to come. With a universal fixing system, it provides both bolt-fix and self-adhesive installation options, making fitting quick and hassle-free. The flexible nylon bolts can be easily cut to size, while the patented hidden fixing mechanism delivers a secure, seamless look. Available with or without a viewer hole, it suits a variety of door styles and thicknesses up to 75mm. Thoughtfully designed with colour-matched accessories, this door knocker maintains a polished and sophisticated finish. Backed by a lifetime coating guarantee and 1-hour fire rating, it ensures both safety and lasting beauty, making it the perfect finishing touch for any home.

Includes colour-matched accessories including nuts and washers for a seamless look

Waterproof seal prevents rusting behind the door knocker

Made from high-quality stainless-steel material, which offers superior strength and corrosion resistance
