

# Cockspur Handle Kit

Durable and reliable window handle

Universal fit, compatible with 9mm, 13mm, 17mm and 21mm sizes

Patented design

Comes with the complete installation kit

Flexible fitting options

## Cockspur Handle Kit

This high-quality replacement cockspur window handle is designed with durability and reliability in mind, making it an excellent choice for both residential and commercial applications. Crafted from robust materials, it ensures long-lasting performance while maintaining a sleek and functional design. One of its standout features is its universal fit, accommodating 9mm, 13mm, 17mm, and 21mm sizes, which makes it highly versatile for various window types. Whether you're replacing an old handle or upgrading to a more secure and efficient option, this handle offers a seamless and hassle-free installation process. The flexible fitting options provide additional convenience, as it features four possible screw fixing centres, allowing it to adapt easily to different window frame configurations. This flexibility ensures that homeowners and professionals alike can install it without extensive modifications or additional drilling, making it a practical and user-friendly solution.

Adding to its appeal is the patented, unique design, which enhances compatibility with existing window setups while maintaining a secure and stable fit. To simplify the installation process, the handle comes as a complete kit, including three packers, two packer fixing screws, an adhesive screw cap cover, and a key, providing everything needed for a secure and professional installation. This comprehensive approach eliminates the need for additional components, saving time and effort.
