

Cockspur Window Handle

Each handle comes with a 5-year coating guarantee

Comes with screws and caps

Window handles are made from Zamak

Available in 5 different finishes

Perfect for aluminium and uPVC windows

High quality designed window handle

High-quality

The Cockspur Window Handle is aimed at the fabricator who wants to offer a high-quality designed window handle, ideal for aluminium and uPVC windows. Each window handle, made from Zamak, is available in 5 different finishes and with both right hand and left-hand versions, allowing you to offer different solutions for a wider range of windows.

Extra Security

Each Cockspur Window Handle can be locked and only opens when pushing the button, offering extra security. These window handles come with a 5-year coating guarantee and offer a compact design with a 17mm stack height. Each product comes with screws and caps, and we also have available striker plates (65mm x 16mm).

Available in both left-hand and right-hand versions

Lockable design with a push-button mechanism for enhanced security

Designed for fabricators seeking high-quality aesthetics
