Quick and Easy Installation

Enhance Door Appearance

It is no secret that a decorative, ornamental door knocker can really improve and enhance the overall appearance of an entrance door and add substantial value onto a property. The exquisite Large Traditional Doctor Door Knocker from UAP Ltd resembles the beautiful door products from years gone by, adding class and style to any front door. Its style would not be out of place in chic country leafy suburbs.

Non-rusting Nylon Bolts

This door knocker has bolt-through fixings and comes with 2 perfectly-matching solid brass nuts and washers for effective colour co-ordination. The door knocker is fitted onto the door using revolutionary nylon bolts, which can fit door thicknesses of up to 75mm. They are incredibly easy to cut down to size if needs be-and all you need is a Stanley knife in order to complete this task-so no more sawing. The nylon bolts also do not condensate or rust, which means that your company's door will look pristine and impressive to your customers for an extended period of time

Easy to Install

The Large Traditional Doctor Door Knocker is available in 4 different finishes and is simple and easy to install. These door knockers are extremely affordable, without any compromise whatsoever on quality, so you do not even need to spend a fortune in the process in order to obtain door hardware which is of a superior standard.
