

UAP 219mm Aluminium Signature Door Handle

Handles are made from
Aluminium

High quality
designed handle

Very comfortable grip when
operating

About the Door Handle

The UAP standard security aluminium door handle has a 219mm short backplate and comes with a 5-year coating guarantee.

Comfortable Grip

Contemporary and modern in appearance, the standard aluminium door handle has been cleverly designed to offer a very comfortable grip when operating.

High Security

It is recommended to use a UAP Kinetica 3* Kitemarked euro cylinder with the door handles in order to give you the best security and to achieve a 3-star Kitemark status for PAS24 doors.

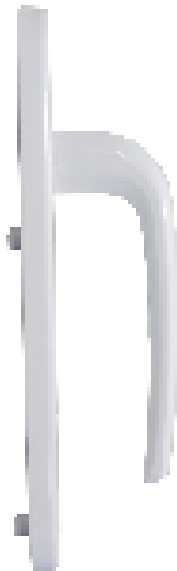

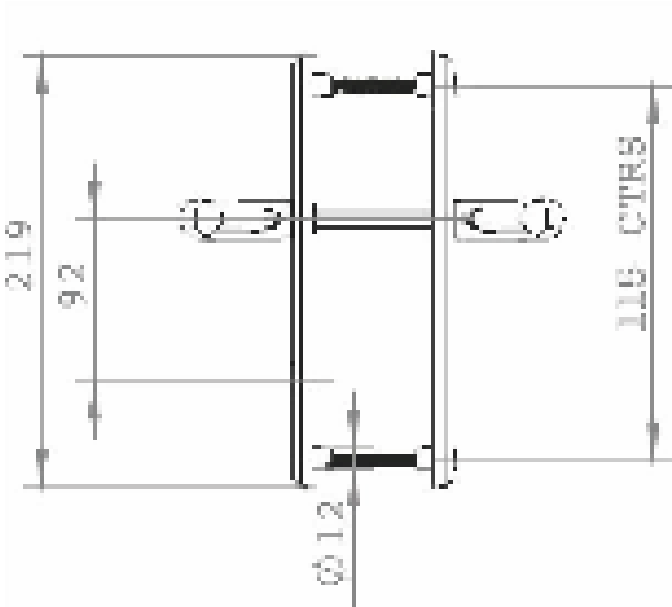

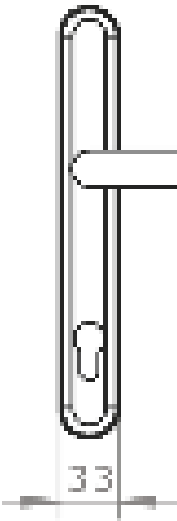

Has a 219mm short backplate

Each handle comes with a
5-year coating guarantee

Tube handle gives a very
comfortable grip when operating

Salt spray tested to
ASTM B117 for 2,000 hours
