About the Door Handle

The standard aluminium security front door handle has a 243mm long backplate and is made from aluminium and has a 5-year coating guarantee.

Comfortable Grip

Contemporary and modern in appearance, the standard aluminium front door handle has been cleverly designed to offer a very comfortable grip when operating.

High Security

It is recommended to use a UAP Kinetica 3* Kitemarked euro cylinder with the door handles in order to give you the best security. and to achieve a 3-star Kitemark status for PAS24 doors.
