Improve Door Appearance

It is no secret that a decorative, ornamental door knocker can really improve and enhance the overall appearance of an entrance door and add substantial value onto a property. The exquisite Signature Victorian Scroll Door Knocker from UAP Ltd is ideal for doors with vertical panels or other design details and it offers a perfect way to add class, style, and certainly a traditional charm to any front door.

Easy to Install

The Signature Victorian Scroll Door Knocker is available in 4 different finishes and is simple and easy to install. These door knockers are extremely affordable, without any compromise whatsoever on quality, so you do not even need to spend a fortune in the process in order to obtain door hardware which is of a superior standard.

This door knocker has bolt-through fixings and comes with 2 perfectly-matching solid brass nuts and washers for effective colour co-ordination. The door knocker is fitted onto the door using revolutionary nylon bolts, which can fit door thicknesses of up to 75mm. They are incredibly easy to cut down to size if needs be, and all you need is a Stanley knife in order to complete this task- so no more sawing.
